

The map displays the Kuusiku area in Estonia, with the proposed Kuusiku National Park boundary highlighted in red. The boundary follows the Kuusiku River and encompasses a large area of forest and agricultural land. Key settlements shown include Kadaka, Tooma, and Kuusiku. The map also features various geographical features such as the Kuusiku River, surrounding forests, and agricultural fields. The red boundary is clearly marked, showing the extent of the proposed national park.
