Vastuskiri

Dear Ms Karchevych,

Thank you very much for your letter, for sharing the project documentation and materials, and for providing the contact details of the Ukrainian project team. We highly appreciate your support and the excellent cooperation within the EU HEALS project.

We would also like to thank you for bringing the issue regarding the TEHIK contact to our attention. We apologize for the confusion. Due to an inadvertent error, an incorrect contact person was communicated. The correct TEHIK contact for the coordination of the technical implementation and pilot activities is **Ms Kristiina Kuldkepp** (Kristiina.kuldkepp@tehiik.ee).

We kindly ask that all future communication regarding the technical implementation of the project be directed to Ms Kristiina Kuldkepp. We are confident that she will work closely with Mr Heorhii Platonov and the Ukrainian team to ensure the successful implementation of the planned activities.

Thank you again for your cooperation. We look forward to our continued collaboration and to achieving the objectives of the EU HEALS project together.

Yours sincerely,

(signed digitally)
