

Liisa Pakosta
Minister of Justice and Digital Affairs of
Estonia

Dear Minister Liisa Pakosta,

On behalf of the CyberDefence24.pl, I would like to invite you to personally participate in the **CYBER24 DAY** conference, which will be held on **October 2nd, 2024, at the Marriott hotel, al. Jerozolimskie 65/79 in Warsaw** and to personally take part in the **opening panel firechat** with the Minister of Digitization of Poland and Vice-President of the Council of Ministers, Krzysztof Gawkowski, scheduled for **11:00**.

The **CYBER24 DAY** conference, organized by the Defence24 Group, has become a permanent fixture in the schedule of the most important events in the cybersecurity industry. Discussions, debates, behind-the-scenes conversations about digital security, digitization and new technologies will be held for the fifth time.

On October 2, 2024, representatives of the government, administration, military and civilian employees, experts, scientists and representatives of the media will be present at the Marriott Hotel to discuss the most important cybersecurity issues and challenges facing Poland in global terms.

It has become a tradition that during **CYBER24 DAY** important decisions for Polish digitization are announced, strategic digital projects from the state's point of view are discussed and the direction of the public debate is shaped.

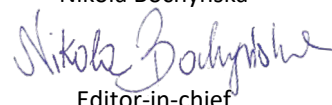

This year, Polish and foreign guests will also focus on the subject of cyber defence in civil and military terms, subject of artificial intelligence, secure communication, the role of digital platforms in the modern world and future trends in cyber security.

We kindly ask you to confirm your participation by e-mail by 31.08.2024. Please also consider the possibility of the participation of other persons representing your institution.

In case of any questions, Dr. Aleksander Olech is at your disposal (+48 665 244 255, a.olech@defence24.pl).

With kind regards

Nikola Bochyńska
