

SPEAKER INVITATION
REYKJAVIK GLOBAL FORUM – WOMEN LEADERS 2026

02.09.2026

Dear Ms. Liisa-Ly Pakosta,
Minister of Justice and Digital Affairs, Estonia

We are delighted to invite you to join us as a Featured Conversationist on the main stage of the Reykjavík Global Forum, taking place in Reykjavík, Iceland on 16–17 November 2026.

For the past eight years, the Reykjavík Global Forum has been co-hosted with the Government and Parliament of Iceland. The Forum is the annual flagship event of the Reykjavík Global Community, which consists of more than 12,000 leaders from the public and private sectors across 190 countries. This community unites around a shared commitment to *Power, Together*, advancing collaboration, knowledge exchange, and solutions that strengthen societies worldwide. **Central to this mission is ensuring that women attain and retain positions of power, influence, and leadership across all sectors.**

Each year, invited Conversationists join a diverse and highly engaged coalition of leaders from business, politics, academia, culture, and media to shape a more equitable world, one in which gender parity is embedded within political, social, and economic decision-making at every level.

In 2026, 500 global leaders, parliamentarians, and heads of state will convene at the Forum under the theme “Power, Together for Community.” The program will explore the vital role of women’s leadership in addressing today’s most pressing global challenges and emerging opportunities. More than 30 main-stage sessions, masterclasses, and workshops will feature distinguished voices from over 80 countries.

We would be deeply honored to welcome you in this capacity. Your expertise, perspective, and leadership would make a significant contribution to the Forum and its global dialogue.

Warm regards,

Hanna Birna Kristjánsdóttir
Chair and Co-Founder, Reykjavík Global Forum
