### LI-Gate x-ion GmbH

Explanation: LI-Gate document points out intended channels to contact **x-ion** concerning data disclosure requests. To ensure a reply in a timely manner, please do only use the data below.

Responsible LI Officers (LIO):

Jan Grimmel, j.grimmel@x-ion.de, +49.171.7607047  
Andreas Janker, a.janker@x-ion.de, +49.151.55566544

E-Mail (encrypted): li-gate@x-ion.de

E-Mail (without encryption): li-gate@x-ion.de

Phone: +49.40.6094510911  
Fax: +49.40.6094510913

Mail via Postway: x-ion GmbH, LI-Gate, Überseeallee 10, DE-20457 Hamburg

IPv4 Addresses: 185.27.181.213, 185.27.182.2

Note: Those IP addresses need to be whitelisted in your systems if it is required to pull any lists or requests directly from a provided service (e. g. SFTP, XML interfaces, etc). **x-ion** itself hosts a SFTP service behind these IP addresses. It is possible to grant separated access if you would like to put requests or lists. To exchange credentials and public keys, please send a request via mail.

The mentioned channels and LIOs are available 24 / 7. **x-ion** GmbH is exerted to process and to answer each request within 24 hours. x-ion GmbH is ISO 27.001 and 27.018 certified and compliant with current EU data protection regulations. **x-ion** GmbH ensures that each data disclosure request as the gathered information will be handled strictly confidential.
