Dear Minister Pakosta,

I have the pleasure to invite you to participate as a guest speaker at the upcoming edition of the **EU Digital Summit (EDS)**, which will take place on the **5th of June 2025** in Brussels.

On the theme **“Fostering Innovation and Building Digital Resilience for Europe's Future”**, the Summit will foster public-private collaboration among policymakers, industry leaders, academics, and civil society. With the Digital Compass charting the course for infrastructure, skills, and innovation, the summit will highlight EU achievements and steps to strengthen infrastructure, skills, and innovation. The Summit will also explore the impact of AI, quantum computing, and cybersecurity on digital resilience and competitiveness.

We would be delighted to benefit from your participation in one of our high-level sessions, which will be moderated by our media partners (FT, WSJ, Bloomberg TV, CNBC).

My team and I are entirely at your disposal for any further information you may require. Looking forward to your highly appreciated support.
