The Danish Veterinary and Food Administration processes your personal data

The Danish Veterinary and Food Administration (DVFA) is responsible for the processing of personal data in relation to events organised in Denmark by the DVFA during the Danish Presidency of the Council of the European Union. The DVFA is the data controller of the processing of personal data according to the General Data Protection (GDPR) of 27 April 2016*. The DVFA processes your personal data which is necessary for registration and accreditation of delegations, logistical planning and security in connection with the Danish EU Presidency events in Denmark. This includes e.g. registration, accreditation, organization of meetings and meals, transportation, and access badges.

Photos and videos

As part of reporting from the official events held during the Danish EU Presidency, the DVFA will take photos and record videos. This mainly include highlights such as arrival, start of meeting, press conference and family photo. If you do not wish to be photographed or filmed, please notify the photographer. In addition, you should consider staying out of situations that are photographed or filmed. Photos and videos can be published on the DVFA website and social media, depending on the circumstances.

Your personal data

The DVFA collects personal data from you or others in connection with registration of participation in meetings and events in Denmark. This includes your name, e-mail, telephone number, address, date of birth, photo, ID-number (national ID or press ID), expiration date for ID, flight information, employer, position, food preferences as well as other necessary information for the specific meeting. The processing is based on GDPR article 6(2)(e) on the basis of the DVFA's exercise as official authority. Danish CPR-numbers are processed according to the Danish Data Protection Act § 11(1). During registration you can choose to inform us about disabilities or health issues which should be taken into consideration during the meetings and events you attend. The sensitive information will be processed in accordance with 9(2)(f).

For how long will the Ministry keep my personal data?

The DVFA will only process your personal data as long as it is necessary for us to carry out our activities related to the Danish EU Presidency and to comply with our obligations as a Danish public authority. Once the DVFA has completed the processing, your personal data will be deleted or archived in accordance with applicable legislation unless the DVFA is obliged to keep the data due to other rules, e.g. the rules on registration of public records.

Will anybody else receive my personal data?

The DVFA is responsible for the processing of personal data in connection to the event. The DVFA will share necessary personal data with other relevant authorities and collaborators responsible for the event/meeting you will attend. This includes Danish authorities, your country's accredited Embassy, and collaborators responsible for organizing meetings, site visits, catering, transport, airport authorities, and security services.
