**Deep diving training**

Dear Ivo,

To continue successful Baltic states cooperation, Latvian Navy kindly request possibility to conduct Deep dive session in Estonian Navy base and use EST TTW from 13.04.2026. to 24.04.2026.

The annual Deep dive session is an important training component for Latvian EOD divers to maintain their qualifications. Tallinn's geographical advantage provides quality and effective training for upcoming Deep dive session.

Our POC for this training is Lt. CDR Haralds Liniņš LVA NAVY MCM squadron CO of Diving Unit - phone: +371 26706332, e-mail: [haralds.linins@mil.lv](mailto:haralds.linins@mil.lv).

Yours Sincerely,

Rear Admiral (LH) Māris Polencs  
Commander of the Latvian Navy
