Dear Indrek!

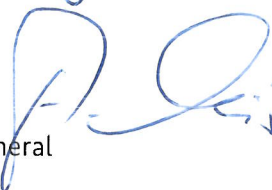

Since 2015, the Army has cultivated the tradition of celebrating the German Army Ball in Berlin. As host and on behalf of the servicemen and women of the Army, I want to cordially invite you to spend a wonderful ball night at the Palais am Funkturm in Berlin on 17 May 2025.

The Army Ball will give us the opportunity to celebrate our successful cooperation and to intensify it even when off-duty. High-ranking guests from politics, industry and commerce and many other areas of public life will attend this major event as well as our international military partners.

The Bundeswehr Big Band and the USAREUR AF Army Band will accompany us through the night with its focus on dancing and entertainment. The servicemen and women of the German Army cooking team will be providing culinary delights, and the proceeds from the charity raffle of the FUAV (Association Supporting the Work with the Disabled) will be for the benefit of working with the disabled.

Your attendance would be a special honour for everybody present and send a strong signal to the members of the German Army that their service is held in high esteem. I look forward to welcoming you personally to the German Army Ball 2025 in Berlin.

Best regards!

Alfons Mais
Lieutenant General

**CHIEF OF THE GERMAN ARMY
LIEUTENANT GENERAL
ALFONS MAIS**
