Your Excellency, dear Minister Pakosta,

Let me express the appreciation for the growing mutual cooperation between our countries in justice area. Now, as never before, a combined effort is required when Europe needs protection of its fundamental values: solidarity, freedom, democracy and the rule of law against the threats coming from both inside and outside. We need to stand united in our unwavering support for Ukraine in the face of Russia's war of aggression.

With the reference to our bilateral meeting on 22 January 2026 in Cyprus, I would like to extend my invitation to You to visit Lithuania. I would be delighted to host trilateral meeting of three Baltic sisters: Estonia, Latvia and Lithuania in Vilnius, preliminary in May, should this be convenient to You.

Trilateral meeting would offer us a good platform to exchange the views on matters of mutual interest, including the current EU agenda and Lithuania's forthcoming Presidency of the Council of the European Union. We could also use the opportunity to discuss the judicial response to Russia's aggression against Ukraine and explore possibilities for further support to Ukraine's justice sector.

Should Your Excellency find this proposal agreeable, my office stands ready to work closely with yours to establish mutually suitable dates and a programme tailored to our strategic objectives.

Please accept, Excellency, the assurances of my highest consideration.

Minister of Justice
