My name is Radu Mihai, and I am reaching out as the Project Manager of VR TOURS BRAŞOV, an initiative developed by the ARTBYTE Association in Romania.

We noticed your openness to collaborations within the Citizens, Equality, Rights and Values Program (CERV), and we would like to invite you to join a project proposal we have recently developed. We believe your expertise could bring significant added value to this initiative.

In this context, we would be pleased to schedule an online meeting by April 8th to discuss the project details and explore potential collaboration opportunities. The submission deadline is April 29th, and at this stage, it is important for us to confirm our project partners.

Please let us know your availability for such a meeting.

Thank you for your time and consideration. We look forward to your reply.

Kind regards,

Radu Mihai
