**Subject: Accreditation letter / Coordinated activities on consumer product safety in the EU/EFTA countries (CASP 2024)**

Dear Madam/Sir,

The European Commission has entrusted the consultancy firm EY (EY Consulting BV, Kouterveldstraat 7B bus 001, 1831 Diegem, Belgium, hereinafter the “Consultant”) with providing services in relation to the Coordinated Activities on the Safety of Products 2024 project (CASP 2024).

The Consultant’s work will include bringing together market surveillance authorities of EU/EFTA countries for, inter alia, the performance of joint cross-border product testing campaigns. The Consultant needs to perform a market research of accredited testing laboratories in the EU/EFTA for the relevant product categories of the CASP 2024 testing campaign.

I would therefore be grateful for your cooperation in providing answers to the Consultant regarding your laboratory as requested in the introductory email. Your responses are much appreciated and of great value to attain the objectives of the project.

If you have any questions for the European Commission about this project, please contact [JUST-B4@ec.europa.eu](mailto:JUST-B4@ec.europa.eu).

Thank you in advance for your cooperation.

Yours sincerely,

Pinuccia CONTINO
