Dear Stakeholders,

Please find attached an invitation to submit an expression of interest under the UCPM Technical Assistance Financing Facility.

TAFF is a technical assistance instrument launched in 2024 as a partnership between the European Commission (DG ECHO) and the World Bank Group and its Global Facility for Disaster Reduction and Recovery (GFDRR). TAFF aims to support EU Member States and Participating States of the Union Civil Protection Mechanism (UCPM) as well as Georgia and Kosovo to increase their technical capacity for disaster prevention and preparedness and support the implementation of the Union Disaster Resilience Goals ([link](#)). The Facility provides access to turnkey tailor-made technical support through leading global expertise on disaster and climate resilience.

Your expression of interest should be submitted to [UCPM\\_TAFF@worldbank.org](mailto:UCPM_TAFF@worldbank.org), and consulted with the World Bank/GFDRR prior to submission.

The deadline for submitting expressions of interest is **14 March 2025 at 23.59 CET**.

We will also organise an **on-line information session on Tuesday 04 February 2025 from 12.30 to 15.15 CET** on Webex. Interested participants should log into the following link:
