**Letter of Confirmation
To whom it might concern**

Dear Sir / Madam,
This Letter serves to confirm the following:

The Xerox Versalink C7130 model and Xerox Altalink C8155 has no toxic substances used in packaging material, including heavy metals.

As well all plastic materials used for packaging do not contain halogen-containing polymers (such as PVC)

Should you have any questions, please do not hesitate to contact me: laura.erdmane@xerox.com
