**Submission of the Asylum, Migration and  
Integration Fund Programme 2021-2027  
for Estonia**

Herewith, the Estonian Ministry of the Interior is submitting the Asylum, Migration and Integration Fund programme 2021–2027 for Estonia.

Estonia started programming the Asylum, Migration and Integration Fund in 2019. During the compilation of the programme the Common Provision Regulation was carefully followed. Relevant stakeholders got the opportunity to express their views, also entities responsible for other EU funds were consulted. Estonia submitted the programme informally already in April 2020. After receiving feedback from the European Commission, the draft programme was amended and submitted the second time. Estonia has taken a good note on all comments sent by the Commission so far.

We hope the European Commission finds the programme exhaustive. Should you have any further questions, please do not hesitate to contact us. We remain open for productive discussions to adopt the programme as soon as possible.

Yours Sincerely,

Tarmo Miilits  
kantsler
