NAMSOC – course announcement

Dear Colleagues

The 2025 iteration of the NATO Advanced Medical Staff Officer Course (NAMSOC) will be conducted in the Estonian Military Academy in cooperation with Multinational Medical Coordination Centre – Europe (MMCC-E) and Netherlands Joint Healthcare Education and Training Centre (DGOTC).

The course is designed for brigade and division level medical staff officers/medical planners to create the required knowledge and understanding regarding military medical planning, medical logistics and command and control (C2) in conventional warfare settings.

The course will take place in Tartu, Estonia from 10 June – 20 June 2025.

For registration please send your completed registration form to the following addresses: wdmc@mil.ee NLT Friday 18APR2025.

Administrative details are provided in Annex A.
Registration form in Annex B.

Location:
Estonian Military Academy
Riia street 12, Tartu, Estonia
