Dear Ms Sõber,

**Virtual learning course on One Health
12 November – 13 December 2024**

This letter refers to the invitation for Estonia to nominate participants from the health sector to attend the Virtual learning course on One Health which will be held from 12 November to 13 December 2024 and hosted by the FAO Virtual Learning Centers. The invitation was sent to you by the World Health Organization, Regional Office for Europe on 4 October 2024.

This letter serves to clarify that the invitation referred to an additional virtual learning course specifically for individuals with command of the Russian language. This is complementary to the English version of the course which took place in February-March 2024, and we expect to offer it in English again in 2025.

We regret any inconvenience and misunderstanding the original communication may have caused.

Sincerely yours,

Dr Gundo Weiler
Acting Regional Emergency Director
