Dear colleagues,

Hope this email finds you well and in good spirits.

As you recall, the Commission presented on 17 July 2024 to the Working Party on Civil Protection (PROCIV) in the Council, a survey related to CBRN preparedness (attached).

Considering that the deadline for submitting replies was **16 September** and we haven't received the requested information from all Member States, we would kindly ask if you could submit your feedback, as soon as possible, or if you would need more time for this aspect.

Happy to discuss more the subject on a bilateral level if needed.

Kind regards,
Catalin
