

# Ministry of Digital Affairs Republic of Poland

---

Warsaw, 3 July 2026

**Her Excellency Ms Liisa-Ly Pakosta**  
Minister of Justice and Digital Affairs  
Estonia

*Dear Minister Pakosta,*

I have the honour to invite you to participate as a speaker at the **8th Cybersecurity Forum**, which will take place on **30 September – 1 October 2026** at the Palace of Culture and Science in Warsaw, Poland. The Forum is jointly organised by the Ministry of Digital Affairs of the Republic of Poland and the City of Warsaw.

The Cybersecurity Forum is one of the leading platforms for dialogue on cybersecurity policy and practice in Central and Eastern Europe. The 2026 edition will address the most pressing cybersecurity challenges at national, regional and global levels. Through exchanges among policymakers, industry leaders, researchers and civil society representatives, the Forum seeks to advance sustainable solutions, strengthen resilience, and support capacity-building efforts in an increasingly complex geopolitical environment.

We would be honoured to invite you to join one of the Forum's **high-level panel discussions** as a panellist on **30 September 2026**.

Through an exchange of experiences and best practices, the discussions will examine how stronger international cooperation, effective regulatory frameworks and coordinated public-private action can enhance Europe's cyber resilience and strengthen digital security across borders. Your expertise and international perspective would make a valuable contribution to the debate, and we would be delighted to welcome you as one of our panellists.

As part of the ministerial programme, a dedicated **working lunch** will also be held on 30 September, bringing together ministers responsible for digital affairs and cybersecurity from across the CEE region and representatives of the technology sector. Additional activities and opportunities for strategic exchanges are also being prepared for ministerial participants.

Prior to the Cybersecurity Forum, our partner event, the **CEE Digital Summit Warsaw 2026**, will take place at the same venue on **29 September 2026** under the theme "*One Region. One Competitive Europe. One Secure Future*". Should you wish to attend the Summit as well, we would be pleased to arrange your participation. Kindly let us know in your reply if this would be of interest.

---

I would be grateful if you could confirm your availability by **10 July 2026**. Upon confirmation of your participation, we will be pleased to provide all necessary logistical information and support regarding your attendance at the Forum.

Should you require any additional information, please do not hesitate to contact **Marcin Domagała** at +48 734 117 822 or at [marcin.domagala@cyfra.gov.pl](mailto:marcin.domagala@cyfra.gov.pl).

I sincerely hope that you will be able to join us in Warsaw and contribute to this important exchange on the future of cybersecurity in Europe.

Yours sincerely,

**Krzysztof Gawkowski**  
Deputy Prime Minister  
Minister of Digital Affairs  
Republic of Poland
