

EU-JAMRAI 2 WP6.1 Human Stewardship Antimicrobial Stewardship Programs for Long-Term Care Facilities for the elderly: A Workshop Towards a European Framework

Ljubljana, 4th April 2025

Dear Partner,

The Spanish Agency of Medicines and Medical Devices, the Andalusian Health Service, the University Medical Centre Ljubljana, and the University Medical Centre Maribor are pleased to invite you to the upcoming Workshop (WS) on **Antimicrobial Stewardship Programs for Long-Term Care Facilities for the elderly: A Workshop Towards a European Framework**. The aim of this event is to foster an in-depth and collaborative discussion among experts and stakeholders, with the aim of enhancing our collective efforts in implementing and optimizing ASP practices within long-term care for elderly.

Workshop Details:

- **Date:** May 13th and 14th, 2025
- **Venue:** [City Hotel](#), Ljubljana

A social dinner will be provided on the 13th May.

The agenda will be sent in due course.

Purpose of the Workshop:

In the context of the **European Joint Action on Antimicrobial Resistance and Healthcare-Associated Infections 2 (EU-JAMRAI 2)**, **Work Package 6 task 1 (WP6.1)** addresses Antimicrobial Stewardship (AMS) in human health. The WS will constitute a further step to develop a common framework on core elements for long-term care for elderly ASP in European countries to make Europe a best practice region.

The WS will include interactive sessions such as group discussions and expert dialogue and insights. This approach will ensure well-rounded and effective discussions, allowing each participant to contribute meaningfully to the topics addressed. Active participation is highly recommended as it will significantly contribute to the quality and depth of the discussions and the conclusions.

Practical details:

Please be aware that according to the Grant Agreement, travel and hotel costs are to be covered by the countries themselves.

We encourage you, or any national expert with the relevant expertise you would delegate to, to actively engage in this WS as we aim to have productive and meaningful exchanges and results.

Registration:

To confirm your participation (or any national expert to whom you delegate), please fill out the registration form through this link: <https://forms.office.com/e/52JYYAb5iS>

Please make sure you register to the event and confirm your attendance before **2nd May**, so that we can finalize arrangements accordingly.

We are looking forward to your participation and we believe that your contributions will be fruitful in making this WS a success. Please do not hesitate to contact us if you have any questions or require further information.

We hope to welcome you to this important event.

Yours sincerely,

Spanish Agency for Medicines and Medical Devices (AEMPS)
Andalusian Health Service (SAS)
University Medical Centre Ljubljana (UMCL)
University Medical Centre Maribor (UMCM)
