**Nomination of Estonian Representatives to the
EU HEALS Project Steering Committee**

Dear minister Liashko,

Thank you for your letter and for the excellent cooperation in integrating Ukraine into the MyHealth@EU network and the European Health Data Space.

We appreciate the opportunity to remain actively involved in the EU HEALS project and are pleased to nominate new representatives.

For participation in the Steering Committee, we hereby nominate Mrs Nele Labi (nele.labi@sm.ee), Deputy Secretary General of Innovation to serve as a Board Member. For the coordination of the technical implementation, we designate Ms Annika Kuldkepp (annika.kuldkepp@tehik.ee) from the Estonian Health and Welfare Information Systems Centre. She will support the implementation of pilot activities.

In addition, we would kindly ask you to share the project application, grant agreement, or any other initial project documentation available with precise description, outcomes, measures etc, to support our onboarding and ensure a smooth continuation of activities.

We remain committed to contributing to the successful implementation of the project and to strengthening cross-border cooperation in digital health.

Please do not hesitate to contact us should you require any additional information.

Yours sincerely,

Karmen Joller
Minister of Social Affairs
