Dear Signe
Dear Inga

Dear colleagues,

Due to changes in the Cabinet of Ministers of Latvia, I am finishing my term as the Minister for Welfare and would like to sincerely thank you for the excellent cooperation and close ties between our ministries at all levels. I also appreciate the frank discussions with the Baltic colleagues that I have experienced while serving in this office.

Regrettably, I will not be able to participate in the envisaged meeting of the Baltic Ministers for social affairs and a joint visit to Ukraine that we discussed during our meeting in Paris within the margins of the OECD Ministerial Meeting. However, I am confident that the new Minister for Welfare will continue these engagements, thus further strengthening cooperation between the Baltic countries to better address the social challenges that our societies face.

As I return to Saeima, where I will remain committed to social causes and friendship between the Baltic countries, I thank you again for your excellent cooperation. Please accept my appreciation and support for your future actions.

Yours sincerely,

Uldis Augulis
