

REPUBLIC OF ESTONIA
MINISTRY OF THE INTERIOR

Ms. Amy Pope
Director General of the International
Organization for Migration

02 April 2024, 5-4/35-1

Your Excellency,

This year, Estonia is celebrating the 20th anniversary of IOM membership. We are a proud member of the organisation that is a global leader on migration and an irreplaceable partner in the international humanitarian system. Estonia strongly counts on IOM's vast experience and the network of missions and dedicated experts on the ground. We also welcome that IOM Tallinn Office has grown and widened its reach in recent years.

I am honoured to extend an invitation to you to visit Estonia at a time convenient for you. I look forward to greeting you in Tallinn to mark the twenty years of fruitful cooperation and to thank you in person for the acute, life-saving support that IOM is providing on the ground in numerous countries, including Ukraine. Estonia is doing its part to help and share the burden.

Please accept the assurances of my highest consideration.

Yours sincerely,

Lauri Läänemets
Minister of the Interior
