26<sup>th</sup> December, 2025

Excellency,

As we draw the curtains on a year marked by significant global shifts and shared milestones, I extend my heartfelt greetings to you, your family, and the people of Estonia for the New Year. May the New Year bring good health, shared prosperity, and continued progress for all.

India and Estonia share strong and growing bilateral ties, formalized in 1991. Estonia's leadership in digital innovation, e-governance, ICT, and cybersecurity, combined with its strategic position as a gateway to the EU and Nordic-Baltic regions, present exciting opportunities for collaboration with India.

Our cooperation in trade, investment, digital, culture, and people-to-people ties continues to expand. There is immense potential to deepen our economic ties, leveraging Estonia's technological expertise to unlock new avenues for growth and mutual prosperity.

In this context, progress toward the conclusion of a comprehensive, balanced, and mutually beneficial India-EU Free Trade Agreement would serve as a critical catalyst, significantly amplifying market access, supply-chain resilience, and long-term economic integration between India and Europe.

As we welcome the New Year, I look forward to building on this encouraging momentum and working closely with you to further strengthen the vibrant partnership between India and Estonia, and with the European Union.

Please accept, Excellency, the assurances of my highest consideration.

With warm regards,

Sincerely,

**Piyush Goyal**
