Dear Ivo,

As it was decided at the last SVTC, the Lithuanian Navy will be hosting the 10<sup>th</sup> iteration of the Baltic Commanders Conference 2025 in Palanga on March 19-20, 2025.

Therefore, this is my privilege to invite you, an accompanying staff officer and CSEL to attend the BCC'25, which will give us a great opportunity to focus on the key aspects of naval cooperation in the Baltic Sea region. Detailed agenda is currently being developed and will be shared with you in due course. I kindly encourage you to contact my staff for any queries related to BCC'25 at the following email: [BCC25@mil.lt](mailto:BCC25@mil.lt).

Meanwhile, I truly look much forward to welcoming you to Lithuania in March. In addition, I would like to seize this opportunity and offer my very best, heartfelt wishes of merry Christmas and happy and prosperous New Year of 2025.

Best regards,

Sincerely,  
  
Giedrius Premeneckas, RDML  
Commander of the Lithuanian Navy
