Dear Sir,

REQUEST FOR DATA ON GHANAISANS LIVING IN ESTONIA

On behalf of the **Association of Ghanaians in Estonia** (AGiE), I wish to apply for data on the number and composition of Ghanaian nationals residing in Estonia.

AGiE is a non-governmental and nonprofit body in Estonia which aims, among other things, to promote and assist its membership to better adjust and integrate into Estonian Society.

As a result, knowledge of the total count of Ghanaians legally resident in Estonia is of great importance to us. This is because it will help us in planning our activities. On this background, could you please provide me with the following:

1. total number of Ghanaian nationals legally resident in Estonia
2. how many are on study permits/visas?
3. how many are on work permits?
4. how many have completed their studies and are either employed or unemployed?
5. how many are on spousal permits or visas to settle with their spouses?
6. what is the total count of minors?

Thank you in advance for your assistance.

Best regards,

Emmanuel Attu
