

**MINISTER FOR DIGITAL DEVELOPMENT  
AND INFORMATION  
SINGAPORE**

13 April 2026

H.E. Erkki Keldo  
Minister of Economy and Industry  
Republic of Estonia

Your Excellency

**INVITATION TO ASIA TECH X SINGAPORE, 19 – 21 May 2026**

I have the pleasure to invite you to attend Asia Tech x Singapore (ATxSG) from 19 – 21 May 2026.

As Asia's flagship tech event, ATxSG brings together global leaders in technology, government, industry, academic experts and civil society. ATxSG is the region's premier platform for shaping our digital future, connecting key stakeholders and decision makers to the conversations that matter most, through two main segments – ATxSummit and ATxEnterprise.

The ATxSummit is the apex event of ATxSG, driving meaningful dialogues that bridge the innovation and science of technology with policy and applications in the real world in areas such as Artificial Intelligence, Digital Trust and Data, Governance and Safety, and Quantum Computing. In addition, there will be closed-door Government-to-Government and Government-to-Business roundtables to facilitate frank exchanges of views with selected industry and thought leaders.

We were pleased to host over 4,000 in-person attendees at ATxSummit 2025, across the Plenary and 36 side events. We also welcomed Digital Ministers, policymakers and industry executives from 48 countries in Asia and beyond. We expect an even more extensive network of distinguished guests in 2026.

I hope that you will be able to join us for ATxSG 2026. I look forward to your participation in these important discussions and to welcoming you to Singapore.

With warm regards

A handwritten signature in black ink, appearing to read 'Josephine Teo'.
