

**Mr. Tiit Riisalo**

**Minister for Economic Affairs and Information Technology**

**Republic of Estonia**

**Dear minister Tiit Riisalo,**

I am delighted to invite you to the D9+ ministerial meeting in Copenhagen scheduled to be held on Friday 27<sup>th</sup> September 2024 in the historic Danish Parliament building, Christiansborg Palace. I would like to use this opportunity to allow us to dive deeper into our discussions on two topics of particular interest and importance to me: how to protect our children online and how we can ensure a streamlined and coordinated approach and usage of the EUDI Wallet.

Furthermore, building on the declaration of the D9+ Ministerial Meeting in Dublin, we will continue to exchange views on how to foster a competitive and resilient digital single market while also enabling a more sustainable digital transition of the European continent.

With this in mind, I would be honored to host you in Copenhagen for the D9+ meeting this fall. A detailed programme will be sent to you accordingly. For now, we envision the meeting to take place from 09.00 to 17.00 on 27<sup>th</sup> of September, including a tour of the Danish Parliament.

In addition, I would like to inform you of an event co-organized by B9+ and S9+-stakeholders in between 16.00 and 19.00 on the 26<sup>th</sup> of September, followed by an informal dinner for heads of delegations to which you are also invited. There will be opportunity for you to participate as panelists under theme “A Competitive and Resilient Digital EU” – do not hesitate to reach out to us if you have an interest in participating. You will receive an invitation to the event directly from the organizers, the Federation of Danish Industries and Danish Entrepreneurs.

I look forward to welcoming you in Copenhagen.

Kind regards,

**Marie Bjerre**
