Dear Colleague,

Warm greetings from Florence!

My name is Marina Vlachodimitropoulou and I am approaching you on behalf of the Executive Education programme of the **European University Institute's (EUI) Florence School of Transnational Governance (STG)**.

Since its establishment in 2017, our School has been delivering **high-level training on governance beyond the State** for a variety of actors, including the European Institutions, the World Bank Group, UNOPS, Unicef, EU Member States, and more. For the past years, together with our highly-specialised **Migration Policy Centre (MPC)**, we have been also offering 2 widely successful **flagship courses on migration**. Our focus this year revolves around **effective migration management** and **migration communication strategies**.

We are excited to inform you that our courses are now open for registration, and we would like to invite your esteemed organisation to nominate individuals for these enriching opportunities. Furthermore, we would be happy to discuss with you how these trainings could be relevant to your institution's needs and how we could help expand your institutional capacity by further tailoring our training offer to suit your needs.

You can kindly also find attached a more detailed invitation letter by our Director, **Professor Kristin Fabbe**.

Thank you for your attention, and please do not hesitate to contact us for further discussion.

With kind regards,

Marina Vlachodimitropoulou
