Dear Commodore,

MBDA, a multi-national European group and a world-leader in the field of complex weapon systems, will exhibit at Euronaval which is going to take place at Paris-Nord Villepinte Exhibition Centre from 4th to 7th November 2024.

This will be an excellent opportunity for MBDA to present its comprehensive range of missiles and missile systems with a special reference to Air Launched Weapons, Air Future Systems, Ground Based and Naval Air Defence Solutions, Surface to Surface weapons, Counter-Unmanned Aircraft Systems and Directed Energy Weapons.

Should you be able to attend this event, in line with the official arrangements being made for your visit to this exhibition, we would be delighted to welcome you on our stand (N° G27) and to invite you to join us for either lunch or dinner.

We look forward to seeing you at Euronaval.

Yours sincerely,

Arnaud Rousset
Senior Vice-President
