**Subject: Your proposal for the Specific Action - “Support to comply with the implementation of the relevant interoperability legal framework” under BMVI - Reference BMVI/2021/SA/1.5.4**

Dear Mr Miilits,

Thank you for your application reference number BMVI/2021/SA/1.5.4/008 following the above call for expression of interest. DG HOME has assessed the admissible proposals on the basis of the assessment criteria listed in the call text, and your application has been **selected**. Funding for the specific action as set out in **Annex 1** will be added to your programme **CCI 2021EE65BVPR001** via an amendment.

The Commission will make the necessary changes in SFC to enable the generation of *Appendix 3 - Thematic facility* in the programme template in line with the **information on the specific action as set out in Annex 1**.

Annex 1 also gives you general guidance on which sections of your BMVI programme will need to be adjusted to incorporate the specific action. The technical implementation of the adjustments in SFC depends on the status of your BMVI programme.

Therefore, the responsible country desk officer, Ms Stephanie Hardy (e-mail: stephanie.hardy@ec.europa.eu), will shortly contact you with technical guidance on how to proceed, depending on the current status of your BMVI programme in the programming cycle.

**Annex 2** also provides information on the distribution of the additional allocation per year.

The specific action must be implemented by the Member States in accordance with the BMVI Regulation (Regulation (EU) 2021/1148) and the Common Provisions Regulation (Regulation (EU) 2021/1060).

Yours sincerely,

(e-signed)

Doede Ackers  
Head of Unit

<b>Description of the actions:</b> BMVI/2021/SA/1.5.4/008 - Support to comply with the implementation of the relevant interoperability legal framework” under BMVI. The objective of this Specific Action is to support Schengen countries to comply with the implementation of the interoperability legal framework. The action has two aspects: 1) preparing the end-users of EU IT system for handling properly the information on identities contained in other systems as a result of interoperability and 2) extending the capacity of the SIRENE offices to resolve yellow links during the period that makes the Multiple Identity Detector (MID) operational. ESTONIA implements both aspects				

Total EU contribution to be added to the programme (sum of EU contribution to individual SA + total contribution to TA envelope linked to the increased allocation)	<b>EUR 1.041.057,00</b>
---	-------------------------

Once the new programme version including Appendix 3 becomes available in SFC, you will be able to proceed with the next necessary steps.

At that stage you will have the opportunity to:

1. amend the **output and result indicators (Section 2.1.2 Tables 1 and 2) of Specific Objective 1** and adjust the performance methodology paper in case needed to align its content with the amended indicators. The indicators relevant for this SA are:
  - Output indicator 1.8    Number of participants supported;
  - Output indicator 1.8.1    of which number of participants in training activities;
  - Result indicator 1.19    Number of participants who report three months after the training activity that they are using the

skills and competences acquired during the training;

2. include the additional amount linked to this specific action breaking it down by type of intervention (**Section 2.1.3 Table 3**) under **Specific Objective 1**. the possibilities are intervention codes 024 and 025;
3. include the additional amount linked to Technical Assistance breaking it down by type of intervention (**Section 2.2.2 Table 4**);
4. introduce the Union contribution and national contribution to the specific action(s) in **Table 6** (the Union contribution to the **Technical Assistance** will be added automatically).
