**Subject: Invitation to the 40<sup>th</sup> meeting of the European Electricity Regulatory Forum (Florence, 12-13<sup>th</sup> June 2025)**

Dear Sir/Madam,

I am pleased to invite your organisation to be represented at the 40<sup>th</sup> meeting of the European Electricity Regulatory Forum:

**Date: 12-13<sup>th</sup> June 2025**

**Location: Chamber of Commerce, Stock Exchange Room located in Piazza Mentana (Florence)**

I have enclosed the provisional agenda for the meeting.

Input from all participants is welcome during the Forum. However, unless you are specifically invited to make a presentation on a topic, we would ask that you do not use slides in order to provide as much space as possible for discussion. Background slides or information (slides with explanations, descriptions of procedures and timelines, own policy papers) can be sent to the Commission for publication on the “European Electricity Regulatory Forum” website.

Please submit your presentations and other relevant documentation for publication on the website by Monday 26<sup>th</sup> May 2025. We cannot guarantee that we will be able to accommodate presentations submitted after this date.

I would invite all stakeholders to look at the discussion topics and actively take part. Experience in previous meetings has shown that direct interventions without slides usually contribute much more to a focused debate.

For your information, the conclusions from the previous meeting of the Forum can be found at: [https://energy.ec.europa.eu/events/39th-european-electricity-regulatory-forum-2024-05-27\\_en](https://energy.ec.europa.eu/events/39th-european-electricity-regulatory-forum-2024-05-27_en)

For logistical reasons and to adhere to strict numbers of limits for the venue, your organisation is invited to send **one representative** to take part in the meeting, with limited exceptions for certain organisations in line with previous meetings. Please note that travel and other expenses must be paid for by participants.

Each participant must register online via the following form by **Monday 26th May 2025**: <https://register.event-works.europa.eu/dgscic/elecereg25/e/lk/k/>

In registering please do not forget to insert the name of the organisation you will be representing in the Forum, specifying the right category, as it shall be displayed on the badges and nameplates as well as the other required information.

Should you have any questions or suggestions regarding the organisation or content of the Forum, please do not hesitate to contact Miriam Stallone or Elaine O'Connell, Unit C.3. Internal Energy Market (e-mail: [ENER-ELEC-REG-FORUM@ec.europa.eu](mailto:ENER-ELEC-REG-FORUM@ec.europa.eu) ).

Yours sincerely,

Lukasz KOLINSKI
