of Ukraine**

Kyiv, 19.12.2024

Dear Minister, Dear colleague!

On the 19th of November 2024, the President of Ukraine Volodymyr Zelenskyy announced the Ukraine`s Internal Resilience Plan which includes Cultural Sovereignty as one of its 10 focal points, that provides for the development of cultural diplomacy and establishment of a broad cultural coalition in support of restoration and preservation of Ukraine's cultural sector endangered by ongoing Russian aggression.

In line with these intentions and following all previous international efforts to safeguard Ukraine's cultural heritage and national identity, the Ministry of Culture and Strategic Communications of Ukraine will hold a Meeting of the Ministers of Culture of the partner states on the 31st of January – 2nd of February 2025 in Ukraine, which hopefully will inaugurate a regular coordination platform.

In this regard I kindly ask you to save the date for participation in this Ministerial Meeting.

Formal invitation with the detailed program of the event, agenda, specific location and other practical information will be sent in January 2025.

Taking this opportunity, I would like to express my congratulations on the upcoming Christmas and New Year holidays and wish you, dear colleague, good health and every success in all your endeavors as well as peace and prosperity for the people of your country.

Sincerely,

Mykola TOCHYTSKYI
