**Subject: Speaking Invitation – European Health Summit – 3<sup>rd</sup> and 4<sup>th</sup> December 2024**

Dear Minister Keldo,

I have the pleasure to invite you to participate in the 5<sup>th</sup> edition of the **European Health Summit (EHS)**. It will take place on **3<sup>rd</sup> and 4<sup>th</sup> December 2024**, at the Egmont Palace in Brussels, with the continued support of the European institutions.

On the theme “**Gold Medal Mindset: Competitiveness and Sustainability in the Tech Age**”, the Summit will provide a privileged platform to shape the healthcare agenda of the EU for the next legislative cycle and work towards a resilient healthcare model in the EU. Together with prominent representatives of the civil society and the academic world, the business community will directly engage with policymakers to debate key healthcare issues in Europe and beyond, such as digital acceleration, pandemic preparedness, industrial policy, sustainable healthcare systems, and optimising patient-centricity.

I thank you for your consideration, and hope that we will be able to benefit from your participation, which would be moderated by our media partners (**FT, WSJ, Bloomberg TV, CNBC**) and broadcast to our large online audience.

My team and I are entirely at your disposal for further information that will align with your expectations.

Looking forward to your highly appreciated support.

Yours sincerely,

Arnaud Thyssen  
Director General
