Subject: RE: Request for Technical Meeting and Study Visit - Center for Progressive Reforms, Uzbekistan

Dear Ms. Umarova,

Thank you for your letter and for the Center for Progressive Reforms' interest in Estonia's experience in legal policy, digital transformation and public-sector reform, as well as in a study visit to Tallinn.

As the Ministry of Justice and Digital Affairs does not have the capacity to prepare and coordinate visit programmes, we suggest following the practice whereby such programmes are prepared in cooperation with the e-Governance Academy (eGA - <https://ega.ee>). We therefore kindly invite you to contact eGA's Chairman of the Management Board, Mr Hannes Astok (hannes.astok@ega.ee), to discuss the possibility of preparing the programme you have requested.

A meeting at the Ministry of Justice and Digital Affairs can certainly be included in the programme, and we would be glad to discuss the relevant topics with your delegation.

Kind regards,

Rein
