Request for study visit to Republic of Estonia

Dear Mr Vucović

Thank You for your interest to learn from our experience on programming and using EU-funding in the frames of a study visit. We are delighted to welcome your colleagues and are ready to organize a comprehensive program that includes the fields and institutions mentioned in your request.

Representatives from our subsidiary – State Shared Service Centre – will contact your colleagues shortly using the contact details provided in your letter to discuss the timing and detailed agenda of the visit.

We will do our utmost to support your journey towards European Union integration.

With best regards,

(signed digitally)
