Subject: application for approval to perform cross-border high-risk specialized operations by the operator Polskie Sieci Elektroenergetyczne S.A.

Dear Sirs,

A Polish operator **Polskie Sieci Elektroenergetyczne S.A.** having his principal place of business at the address: Warszawska street 165, 05-520 Konstancin Jeziorna, Poland, **had applied to the President of the Civil Aviation Authority of the Republic of Poland for authorization to perform cross-border high risk commercial specialised operations on the territory of the Republic of Estonia.** Type of requested operations:

- patrolling power substations, poles and power lines;
- patrolling gas pipelines;
- pipeline patrolling;
- performing flights to inspect the area;
- patrolling for the security of strategic energy infrastructure;
- patrol flights using an aerial observation system (SOL).

Considering the above, **the President of the Civil Aviation Authority of the Republic of Poland acting through the powers of ARO.OPS.150 point f) of Commission Regulation (EU) No. 965/2012 of 5 October 2012 laying down technical requirements and administrative procedures related to air operations pursuant to Regulation (EC) No 216/2008 of the European Parliament and of the Council (OJ L 296, 25.10.2012, p.1 as amended) kindly ask about Your opinion in case whether the above mentioned operator can perform high risk specialised operation on the territory of the Republic of Estonia.**

To allow You to issue an opinion under ARO.OPS.150 point f) of Commission Regulation (EU) No. 965/2012, the following documents has been attached:

1. Risk Assessment;
2. Standard Operating Procedures edition 1, revision 4 dated 10.03.2025;

3. Operations Manual Part A edition 1, revision 5 dated 15.04.2024 r.

In the opinion of inspectors of the Civil Aviation Authority of the Republic of Poland, above documents are compatible with the requirements.

Yours sincerely

On behalf of the President of the Civil Aviation Authority

Jerzy Adamski

Director of the Flight Operations Department
