

SUPREME COURT
REPUBLIC OF ESTONIA

Mr Mykhailo Smokovych
President
Administrative Cassation Court of Ukraine

Tartu, 30 June 2025

Dear Mr Smokovych,

Thank you for your kind letter. It was a great pleasure to meet you in Helsinki during ACA-Europe seminar and General Assembly. We are very pleased, that Ukraine has joined the ACA-Europe Association as an observer. It gives a great opportunity for the Ukraine and for the members of ACA-Europe to exchange their knowledge and best practices. We hope that this step ensures a long-lasting cooperation and connection between Ukraine and ACA-Europe, as well as between the Supreme Court of Estonia and the Administrative Cassation Court of Ukraine.

We are looking forward to meeting you soon. Together with colleague Mr Paavo Randma it will be a great delight to participate in the conference held in Kyiv.

On behalf of the Supreme Court of Estonia we wish you strength and resilience against your fight with the Russian aggressor. Our thoughts and prayers are with you during these difficult times.

We wish you the best of luck and send our warmest greetings from Tartu!

Yours sincerely,

Villu Kõve
Chief Justice
Supreme Court of Estonia

Ivo Pilving
Chairman of the Administrative Law Chamber
