Eurojust Annual Report 2025

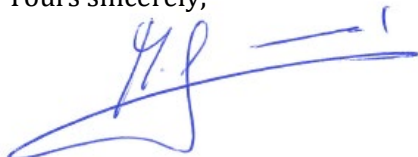

Dear Mr Hussar,

On behalf of the College of Eurojust and in accordance with the Eurojust Regulation, I am pleased to present to you the Eurojust Annual Report 2025. This report highlights Eurojust's key operational and strategic contributions to cross-border criminal investigations and prosecutions in the Member States over the past year.

Last year alone, Eurojust supported no less than 13 946 (+7,5% YoY) ongoing investigations of which 5582 (+4,1% YoY) were newly registered cases. We held 656 coordination meetings and provided support to 412 Joint Investigation Teams (+14% YoY). Among many other operational results, our work has led to €31.4billion worth of drugs being seized and we are intent on supporting prosecutors and judges in Member States and partner countries ever more. The report is available in all official EU languages here: <https://www.eurojust.europa.eu/about-us/planning-and-reporting/annual-report>, and we remain available for any further information you may require.

In conclusion, I would like to express my most sincere appreciation for your support to our work in strengthening justice and enhancing security across the European Union.

Yours sincerely,
