Tere !

I received a letter from you dated 28.11.2022 no. 3-1.1/2022/6313 in which it was indicated to send information to the e-mail laanemaa@rmk.ee before starting the dismantling work.

The said letter stated to inform 7 days before starting the work.

Can the works be started sooner, for example 2.12.22. or 5.12.22.

Due to the fact that it is not possible to plan exactly on which date the works could start, I can offer to inform you additionally by phone, indicating the exact time and place of work (Cadastre number).

I plan to perform the works in the property with cadastral

no. 68001:002:0143 or 68001:003:0253.

Can you give your opinion on the proposed option?

Edgars Knutovs
