**Primoco UAV SE**

Dear Mr Semetkovsky,

Thank you for introducing the capabilities of the Primoco UAV SE and sharing information about the One 150 UAV. We appreciate the innovative work your company has achieved in the field of unmanned aviation.

The technologies used to ensure internal security are selected by our partners in the Ministry of the Interior's area of government. Flight capability incl. unmanned flight capability is organized and developed by Police and Border Guard Board.

We forwarded your letter to Police and Border Guard Board. For further information, they will contact to Primoco UAV SE directly.

We wish you continued success with your operations.

Yours Sincerely,

Siim Vahi  
head of the information and asset  
management department
