### **Bringing industrial decarbonization into action – from challenges to opportunities**

**25 February 2026, Permanent Representation of Lithuania to the European Union, 41–43 rue Belliard, 1040 Brussels, Belgium**

**Aim:** This event aims to present and critically discuss the key findings of the feasibility study on *Industry Decarbonisation: the Lithuania case*, while fostering a high-level European dialogue on the policy, investment and cooperation measures required to accelerate industrial decarbonisation. Particular attention will be given to actions supported by the *EU Industrial Accelerator Act*, which are essential for building competitive, net-zero industrial value chains across Europe.

**Target audience:** EU-level policymakers and institutions, national and regional public authorities, industrial companies and large emitters, regional and cross-border cooperation initiatives.

**Duration:** 140 minutes (2 hours 20 minutes) in total

**Overall moderation:** *Tadas Tumėnas, Head of the Lithuanian RDI Liaison Office in Brussels (LINO)*
