June 15, 2026

Honorable Erkki Keldo  
Minister  
Ministry of Economy and Industry  
Republic of Estonia

Dear Mr. Minister,

I am pleased to inform you that SEMICON Taiwan 2026 is scheduled to take place from 2 - 4 September 2026 at the Taipei Nangang Exhibition Center (TaiNEX) in Taipei.

This year, the exhibition will reach a historic milestone. It is set to feature an unprecedented scale of more than 4,300 booths, over 1,300 exhibitors, and an expected attendance of more than 100,000 visitors from 65 countries. You are cordially invited to participate in this premier semiconductor industry event.

The exhibition is structured into two main sections. The **Technology Zone** will showcase the latest developments in Silicon Photonics, Quantum Technologies, Semiconductor Cybersecurity, Artificial Intelligence, and other emerging innovations. Meanwhile, in the **International Pavilion** will feature national pavilions from prominent European countries - including the U.K. Czech Republic, Germany, France, the Netherlands, Poland, Sweden, and Finland-to present their cutting-edge technologies and industry achievements.

Please find enclosed an introduction of the event for your reference. We sincerely hope that you will be able to join us and explore the latest trends and opportunities shaping the future of the global semiconductor industry.

Reģionāl- ja Pūlņu ministriestum  
Nr. 6-4/2334-1  
02.07.2026

I avail myself of this opportunity to renew to you, Mr. Minister, the assurances of my highest consideration.

Sincerely yours,

  
Winston Wen-yi Chen  
Representative

EXHIBITION | SEP. 2-4, 2026  
PROGRAMS | AUG. 31-SEP. 4, 2026  
TaiNEX 1&2, Taipei

TRANSFORM  
TOMORROW

Dear distinguish guest,

SEMICON Taiwan 2026 is scheduled for September 2 to 4 at TaiNEX 1 & 2 in Taipei. Continuing "Semiconductor Week" last year, we will kick off on August 31 with series of international forums.

The exhibition this year will reach a historic milestone, featuring an unprecedented scale of over 4,300 booths, gathering 1,300+ exhibitors, and welcoming more than 100,000 attendees from 65 countries. We cordially invite you to join this premier semiconductor event! **Exhibition and Program ticketing system are now open!**

SEMICON Taiwan 2026 introduces a three-tiered registration pricing structure. This system is designed to encourage all attendees to complete registration ahead of time, allowing you to plan your itinerary at ease and skip the hassle of on-site registration—ensuring to maximize your five full days across both the exhibition and forums.

Please see the pricing details below:

**1** Limited-time Offer

**Register for free** from May 20 to July 15 with a chance to win **STARLUX Airlines round-trip Business Class ticket from Taipei to Tokyo**

**2** Industry-exclusive and Group Privileges

From July 16 to August 30, tickets are available at a **50% discount for NT\$500**. Notably, semiconductor industry professionals may apply for **industry promo code** via our official website

**Complete registration by August 12** to enjoy our **badge mailing service**. This allows you to enter the exhibition directly with your badge, completely bypassing the on-site lines

**Group Privileges:** Groups of 10 or more individuals can sign up for free until August 19

**3** Final Opportunity

From August 31 to September 4, register at the standard rate of NT\$1,000. Register online in advance to save on-site processing time!

### SEMICON Taiwan 2026 Scales to a New Record High!

**#1,300+ Leading Exhibitors from 65 Nations · #100,000 Attendees**

Driven by AI Computing and Physical AI, the semiconductor industry has reached a pivotal inflection point of acceleration. SEMICON Taiwan 2026 assembles Wafer Manufacturing, IC Design, System Applications, and the Startup Ecosystem. Highlighting key domains such as AI, Physical AI, Advanced Manufacturing & Packaging,

Quantum Technology, and Smart Manufacturing, our pavilions span the entire value chain to provide a comprehensive outlook on the future semiconductor ecosystem. Furthermore, the exhibition hosts 18 country pavilions from the Asia-Pacific, Americas, and Europe, offering insights into global industry dynamics and emerging collaborative opportunities.

### **#25 In-depth Forums · #Critical Technologies**

SEMICON Taiwan features over 200 global industry titans on stage, with 25 technical and trend forums providing in-depth explorations into critical future technologies in just three days—including **Silicon Photonics, Advanced Manufacturing, and Advanced Packaging**. Take advantage of our **Super early bird 30% discount**, available now through June 17!
