LETTER OF RECOMMENDATION

To whom it may concern,

It is my great pleasure to recommend Ellen Kondas for admission to the University. I work as an adviser in the Prison Department of the Ministry of Justice and Digital Affairs and had the pleasure of supervising Ellen Kondas during her internship in January this year.

As Ellen Kondas's internship supervisor, I had the opportunity to observe her ability to apply the knowledge gained during her studies to practical assignments. During the traineeship, Ellen actively participated in the daily work of the Ministry and her tasks included responding to inmates' appeals and analysing various legal issues. Ellen demonstrated a high level of responsibility, independence, and professionalism. She was always thorough and was able to quickly find her way around complex legal issues and formulate reasoned opinions. Her work was well structured and written in legal jargon, showing strong legal writing skills and good use of language. In addition to her professional skills, Ellen showed good communication and cooperation skills. She was appreciated by her colleagues for her helpfulness, friendliness and conscientiousness.

I can confidently say that Ellen Kondas is a capable and motivated young professional who has all the prerequisites for further success in the legal field.

I highly recommend you accept Ellen into your program. I am certain that she will be a valuable addition to your university community and possesses the academic ability to thrive within your institution.

Please feel free to contact me if you need additional information. Thank you for taking the time to read this letter.

Yours sincerely,
