Subject: Invitation to the 18th Edition of the **InCyber Forum Europe – March 31 to April 2, 2026**, Lille
Grand Palais

We are honored to invite you to the **InCyber Forum Europe 2026**, to be held in Lille, France, from March 31 to April 2, 2026, **under the High Patronage of the President of the French Republic**.

For nearly 20 years, the InCyber Forum Europe has stood as Europe's premier event dedicated to addressing key challenges in cybersecurity and digital trust. Every year, the Forum attracts over **20,000 participants**, **700 public and private partner** organizations, and more than **500 expert** speakers to Lille. It offers a unique platform for debate, a trade show, and a summit, with the ambition of contributing to the creation of a safer digital ecosystem aligned with European values and interests.

This year's edition, themed "**Securing Our Digital Dependencies**," will explore the challenges of digital interdependence, cybersecurity, cyber warfare and technological innovation in a rapidly evolving digital landscape.

Your participation would offer a valuable opportunity to:

- Give an address at the opening of one of the Forum's summits;
- Engage in high-level debates and discussions with other leaders in the field;
- Connect with international stakeholders;
- Explore an exhibition featuring cutting-edge innovations in cybersecurity and digital trust.

We would be deeply honored by your presence at InCyber Europe 2026, and our team remains at your full disposal for any further information or assistance regarding your participation.

With the expression of our highest consideration,

Army General (2S) Marc Watin-Augouard
Founder of the InCyber Forum

Guillaume Tissier
Executive Director
InCyber Forum Europe
