Dear Ms. Markovčić Kostelac,

Thank you for your kind message and for the warm congratulations on my recent appointment as Director of the Maritime Division at the Estonian Transport Administration. I greatly value the strong partnership that Estonia enjoys with EMSA and look forward to further strengthening our collaboration.

We sincerely appreciate EMSA's continued support in facilitating sanctions monitoring against the Russian Federation.

Estonia remains committed to sharing expertise and information to help EMSA develop tools and services that benefit all Member States.

We reaffirm our readiness to continue working closely with EMSA.

I have scheduled to participate together with Mr. Truu on the 74th meeting of the Administrative Board in November.

Yours sincerely

(Digitally signed)
