Section V: Export Control Laws

We - the person or legal entity named in Section I - certify that we are the end user or purchaser of the items described in Section II, which are to be supplied by Galvion. We further certify as follows:

- We shall use the items for the purposes described in Section IV;
- The items will not be used for any purpose connected with chemical, biological, or nuclear weapons, or missiles capable of delivering such weapons;
- The items will not be used in any nuclear explosive activity or unsafeguarded nuclear fuel cycle;
- The items will not be re-exported or otherwise re-sold or transferred if it is known or suspected that they are intended to or likely to be used for such purposes;
- The items will not be reexported or otherwise re-sold or transferred to a destination subject to U.S., UN, EU or OSCE embargo if it would breach the terms of that embargo;

Section VI: Denied Parties

We represent and warrant that the items will not be exported, re-exported or otherwise re-sold or transferred directly or indirectly to any natural or legal person, entity or body which is subject to sanctions, denial orders, or other prohibitions imposed by the U.S., the EU or any of its Member States; and that no natural or legal person, entity or body which is subject to sanctions stand to benefit financially directly or indirectly from the transaction.

Section VII: Information Supplied

We - the person or legal entity named in Section I - represent and warrant that the information contained in Sections I, II, III, and IV is true, complete, and accurate in all respects.
