Dear Ms Särav,

We wish to extend our sincere thanks for the productive meeting with you and Ms. Rajalo during our recent delegation visit to Estonia. The discussions on how Estonia fosters and facilitates innovation and digitalisation were exceptionally informative and have greatly deepened our understanding of Estonia's forward-thinking strategies in these areas. Please convey our thanks to Ms. Rajalo as well.

Your insights into Estonia's economic policies and innovation initiatives were invaluable, and we greatly appreciated the opportunity to exchange ideas and learn from your experiences. We are keen to build on the connections made during our visit and explore further opportunities for cooperation. Your hospitality and the open exchange of ideas were greatly appreciated.

Thank you once again for your time and the engaging dialogue. We wish you continued success in your work and would be delighted to welcome you to Rhineland-Palatinate in the future.

Yours sincerely,
