

EMBASSY OF THE REPUBLIC OF KOREA
TALLINN

2026-KE-017

The Embassy of the Republic of Korea in the Republic of Estonia presents its compliments to the Ministry of Social Affairs of the Republic of Estonia and has the honor to enclose herewith a letter addressed to Her Excellency Karmen Joller, Minister of Social Affairs, cordially inviting her to attend the 5th World Bio Summit, to be held in Seoul on 21–22 October 2026.

The World Bio Summit was launched by the Republic of Korea in 2022 as a forum for discussing global cooperation in the bio-health sector, including equitable access to vaccines and therapeutics, with a view to sharing Korea's experience in responding to COVID-19 and formulating effective, innovation-based strategies for future pandemic preparedness.

The 5th World Bio Summit will broaden the scope of discussions beyond "Preparedness and Response to Future Pandemics" to include the emerging theme of "Artificial Intelligence," which is gaining increasing prominence across economic and social sectors, including healthcare.

The Embassy has the further honor to request that the Ministry kindly communicate H. E.'s RSVP by email to the World Bio Summit Secretariat at worldbiosummit@korea.kr no later than 28 August 2026.

The Embassy of the Republic of Korea in the Republic of Estonia avails itself of this opportunity to renew to the Ministry of Social Affairs of the Republic of Estonia the assurances of its highest consideration.
