Letter of Confirmation

I hereby certify that Estonian Ministry of Culture agrees to contribute to the proposed research project titled “Health- and skill-related physical fitness and physical activity of children and youth with disabilities: cross-sectional study and longitudinal randomized controlled school-based intervention focusing to increase physical activity and physical fitness through guided activities during recess” (PI Research Fellow Evelin Mäestu), if selected to be funded by the Estonian Research Council. I acknowledge that the contribution will include disseminating the results of the research project to wider public and stakeholders via different meetings, seminars and conferences in order to pay more attention to the inclusion of vulnerable target groups and ensuring equal opportunities.

Sincerely,

(signed digitally)
